

When It's Time to Choose a Special Diet

is Your Reliable Choice

Hi-Tor Veterinary Select Special Diets for Dogs and Cats have been specially formulated for the dietary management of many of the conditions to which pets are vulnerable.

Just as human patients may be advised by their physicians to avoid certain foods and make vital nutritional changes, the same is true for pets.

Give your pet the superior nutrition and ingredients your vet recommends by switching to the proper Hi-Tor Veterinary Select Special Diet formula. You'll save on your feeding bills and your dog or cat will get the appropriate nutrition they require.

50 years of Experience in Providing Quality Products

When your veterinarian recommends a special diet for your pet, Hi-Tor Veterinary Select should be your reliable choice. Well established as one of the leading brands of quality products, Hi-Tor is specifically designed to meet special dietary requirements of some dogs and cats. Hi-Tor is a product of Triumph Industries whose rigid Quality Assurance Program and more than 50 years experience are your guarantee that you can feed this premium product with total confidence. It is important to have your pet checked regularly by a veterinarian. When a situation arises where continuing the pet's everyday diet is contra indicated and a special diet is called for, Hi-Tor Special Diets are the foods you can turn to with confidence.

Switch to HI-TOR Veterinary Select Special Diets and Save!

If you are currently feeding a special diet to your pet, please consider making the switch to Hi-Tor Vet Select Special Diets. Once for ounce, Hi-Tor compares very favorably with the leading diets your veterinarian may recommend. You will discover that you can save up to 50% by switching to Hi-Tor, without sacrificing the quality and care your companion pet deserves.
